

Celebrating Birthdays

It is true that now that your child is in 4th grade not as much time is devoted to birthday celebrations during the school day. However, that does not mean birthdays aren't special! Kids still love to share a sweet treat and sing happy birthday. Feel free to send a treat on your child's birthday or close to it. For those children that were born in the summer, we don't want to forget them! **Summer birthdays are encouraged to be celebrated on 1/2 bdays!** You don't need to contact me about your treat. I will always do my best to make kids feel special on their big day and accommodate a treat. **Please make sure treats are EASY to serve and come precut.** I really appreciate it!

Thanks,
Angela Risch
