

Scholastic Book Club

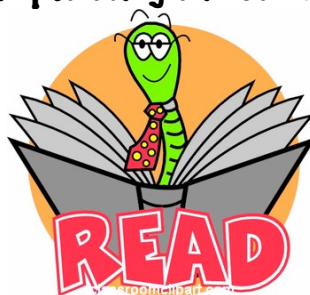

Each month students will be bringing home a Scholastic Book Club order form. Scholastic offers many books that are age appropriate for fourth grade readers. The selections are often based on the interests of 9-11 year old students. The books are priced very reasonably and offer a great way to build your home libraries. We have found that ordering books for children is very motivating and helps excite them about reading.

Scholastic Book Clubs also provide a wonderful opportunity for teachers and schools to build classroom libraries and guided reading book rooms. Every time our class orders books, our classroom gets a minimum of \$10 worth of free books. When our total class order reaches \$50 or more, we often qualify for additional free books. Finally, we also get bonus points for every dollar spent. The more we order, the larger the bonus points multiply.

Fourth grade has been working hard to stock our classroom libraries and book room with titles from specific authors, various series, different genres and books at appropriate reading levels. We will be using bonus points to order copies of titles that meet our standards each month. We will post titles on our GIVING TREE webpage every month for anyone that wants to donate a book. We really appreciate any orders for books for your child, our classroom or book room. Every order makes a difference.

Watch for order forms the first week of each month. Look for the due date on the back of the form. Make checks payable to SCHOLASTIC BOOKS when placing an order.

Thanks for your support!
