

Snacks

Students will be provided an opportunity to enjoy a morning snack each day. Please send a healthy snack that helps fuel your child during our long morning. Our recess/lunch period is from 12:00-12:40. Students will have a long wait from breakfast. In addition, you may also send a refillable water bottle for your child to utilize throughout the day. Unfortunately, juice, sports drinks, and soda are not allowed in the classroom. The dyes stain the carpet and sugar is a dirt magnet when accidental spills occur. Students are allowed to have juice and sports drinks in their hallway cubby.

Food and water is to your child, what gas is to a car!
